

I.K. GUJRAL PUNJAB TECHNICAL UNIVERSITY MOHALI CAMPUS-II

D. No. IKGPTU/MC-II/ARCH/207

DATED: 12/02/2020

1.4.2 Action Taken Report on Institution Infrastructure Based on Previous Feedback Received

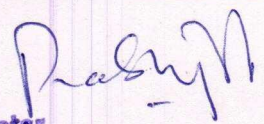

The IKG PTU Mohali Campus-II (Department of Architecture) obtained feedback on the Institution, infrastructure from various stakeholders, namely students, parents, teachers and alumni to improve the Campus Infrastructure. The feedback was obtained on structural questionnaire. The data was also analyzed and a feedback report was prepared to gain insights into the areas where changes/improvements are needed. On the basis of feedback obtained, following actions were taken to incorporate the improvements suggested by various stakeholders.

S. No.	Recommendations	Action Taken
1.	Improvement of Library Facilities	<p>The College Library is consisting of two well-lit reading halls; it provides comfortable seating for 40 students. The college has 1400+ titles and having total Books 1908</p> <p>In architecture &amp; related fields and regular subscription of 10 national and international journals and e-journals that provide adequate and sufficient reading material to the students. Knowledge Resource Centre Main Campus is offering e-journals facilities to facilitate learning and improve access to the resources. List of the e-journals provide by KRC is as:</p> <ul style="list-style-type: none"><li>• Elsevier</li><li>• Springer Nature</li><li>• Taylor &amp; Francis</li><li>• Emerald Management</li><li>• BIS standards</li></ul> <p>In the Campus Resource Centre section where all the thesis reports &amp; Practical Training Reports are kept for record and consultation. Teaching aids like audio and video cassettes and CDs also available. Mobile Application of Knowledge resource Centre</p> <p>Kindle lending services to students and faculty.</p>
2.	Training and Placement Support	<p>The University has a separate Corporate Relation and Alumni (CR &amp; A) department looking after Placement and entrepreneurial activities with faculty representatives from various departments.</p> <p>The Faculty and student coordinators as a team make an effort to identify and connect with potential employers from the Architectural and construction field to create better employability for the students. In addition to this students are taught skills like portfolio design, resume writing, presentation skills, group discussion, interview skills etc. Through online session from the experts, seminar presentations by the Faculty, students are prepared for the office/field work.</p>

		To keep the students updated about the construction industry various site visits are also conducted.
3.	Faculty Competence	In order to enhance level of competence faculty members of the campus regularly attend workshops/FDPs and Conferences. Audio-visual lectures are delivered by Faculty to complement class room teaching.
4.	Improvement in Lab(s)/Workshop facilities in Department	<ul style="list-style-type: none"> <li>• A computer laboratory of 40 has been established in the Academic Block B. The PCs are loaded with latest CAD software like Auto CAD - 2009, Adobe Photoshop 7, Revit Autocad Software 2012, Archicad - 2017. As a result, students have been regularly presenting seminars and design proposals using the latest audio-visual presentation techniques. Besides this, each faculty member has been provided with a personal computer and laptop.</li> <li>• The Campus workshop caters to the need of 'hands on' experience in handling of building construction tools and model making.</li> <li>• The Climatology laboratory is updated with new building projects made by the students.</li> <li>• The Materials Museum displays a wide range of exhibits created by the students. New advanced building materials are also added to the Material Museum. The students and faculty are encouraged to borrow from the museum in order to gain a better understanding of architectural concepts.</li> <li>• The audio-visual section has Video Conferencing System. Audio-visual lectures are delivered by professors to complement class room teaching.</li> <li>• Student Work Exhibition has the display of student's assignments done during the semester.</li> </ul>
5.	Improvement in Sports facilities	In order to stay healthy, mentally and physically strong the students are encouraged to take part in various sports activities. <ul style="list-style-type: none"> <li>• Ar. Jyoti Singh, Assistant professor is appointed as the Sports Incharge of the campus.</li> <li>• Annual Sports Meet is conducted every year in the month of Febuary/March.</li> </ul>
6.	Improvement in Canteen facilities	A new canteen has constructed near to the academic Block A. The canteen offers healthy eatables to the students. The administration of the canteen also ensures the hygienic of food items & cleanliness of the sitting area.
